

Find and retrieve court dockets quickly

All Federal Dockets on Westlaw Canada simplifies the way you find and retrieve court dockets, giving you an efficient alternative for managing and monitoring your cases as they move through the courts. You can use dockets to:

- Evaluate a judge's experience
- Research opposing counsel's prior trial strategies
- Identify compelling legal arguments
- Find and obtain court filings
- Evaluate expert witnesses, opposing counsel and prospective clients

One query covers multiple resources for fast, easy searching

Westlaw has the most extensive collection of online dockets, covering:

- All 94 U.S. district courts
- All 13 U.S. courts of appeals
- All 94 bankruptcy courts
- The U.S. Supreme Court
- Trial and appellate courts
- U.S. Court of Federal Claims
- U.S. Tax Court
- U.S. Court of International Trade
- U.S. International Trade Commission

As current as the courts

Simply click the Update link and All Federal Dockets goes to the court and retrieves the most current version of the docket.

Get automatic notification of new case filings with New Case Alerts

You can choose to be automatically alerted by email whenever a new case of interest is filed. This is a powerful client development tool, giving you a heads-up when cases fitting your selected practice and jurisdiction profiles may be in need of your representation.

Convenient access to premier litigation resources

From any docket, you can link* to relevant:

- Cases
- Briefs
- Pleadings
- Motions
- Judge and lawyer profiles
- Expert witness testimony
- And more
